

2026 CATALOGUE

Spring Edition

A F R I C

WELCOME TO OUR SPRING 2026 CATALOGUE.

DK is bold, creative and global at heart. Since day one, we've believed in pushing boundaries, which means reimagining what books can be and how they reach readers around the world.

At the centre of everything we do is a deep respect for quality and originality, and books crafted with care, authority and purpose. We believe in beautiful design and meaningful content working together so that every page earns its place as a DK book. Whether richly illustrated or narrative driven, every DK book is created with the same care, attention and impact.

As we look ahead to 2026, DK continues to grow with energy and ambition, guided by creativity, simplicity and a strong sense of community. We are always looking for new ways to bring inspiring books to life, and we always think globally in our approach, amplifying voices so they can transcend borders.

Thank you for being part of our journey. We're excited about what's ahead, and to create books that inform, delight and endure.

-----------------	------------

A stylized illustration of various vegetables on a dark navy blue background. In the top left is an orange carrot with a green stem and a small green circle above it. Next to it is a green vegetable with a long stalk and a fan-like top. In the top right is a red tomato with a green stem and a small green circle to its right. On the right side, there are four blueberries. Below them is a large purple eggplant with a green stem. In the bottom left is a yellow lemon wedge with three small green circles to its right. In the bottom right is a green broccoli. A white line forms a frame around the text, with a small notch at the top and a larger one at the bottom.
