

MEHRAN KHAKSAR

Front-End Developer

mehran9326@gmail.com | [09210126985](tel:09210126985) | mehranksar.me | Tehran, Iran

PROFESSIONAL SUMMARY

Front-End Developer with 4+ years of experience building modern, scalable web applications using React, Next.js, and TypeScript. Skilled in developing responsive user interfaces, reusable component systems, API integrations, and performance-focused web experiences. Strong focus on clean architecture, maintainable code, and creating fast, intuitive, and polished digital products.

WORK EXPERIENCE

Front-End Developer

Aug 2024 – Present

AvinTech — Tehran, Iran

- Develop scalable web applications using React, Next.js, and TypeScript, with a focus on performance and maintainable architecture.
- Build reusable, responsive UI systems with Tailwind CSS and shadcn/ui, including complex interactive components.
- Integrate REST APIs and GraphQL, optimizing data fetching, caching, and frontend performance with React Query and SWR.

Full-Stack Developer — Independent Project

Apr 2026 – Sep 2026

CafeRo — Tehran, Iran

- Built a full-stack café discovery platform using Next.js, TypeScript, PostgreSQL, Prisma, and GraphQL.
- Implemented advanced search and filtering, OTP/Google authentication, user profiles, reviews, and café submissions.
- Developed an admin moderation system and implemented SEO, structured data, and dynamic sitemaps.
